

Butterfly Swag 9105

This pattern was revised in 2001. If you don't have the latest pattern you may return your used pattern for a new one at 1/2 price. If your pattern is unused there is no charge, except shipping cost.

How can I alter the swags?

We cannot give you instructions to alter the swag in width or depth. To go beyond the sizes given would require the shape and size of the pattern and the pleat angles to change. There is no formula for a quick fix.

Can I eliminate the arch on the pattern?

No the pattern can not have a straight top.

Does the board pattern come with the 9105?

Yes, also instructions to make the board.
