**This pattern was revised in 2005. If you don't have the latest pattern you may return your used pattern for a new one at 1/2 price. If your pattern is unused there is no charge, except shipping cost.**

### **How can I alter the swags?**

Instructions are provided for minor adjustment. If you try to make it wider than 26", it will hang deeper than 18". If you go smaller than 20" it will hang shorter than 18". Side angles would have to change. We can't provide you with specific amounts.
