

Turban Swag 9225

This pattern was revised in 2005. If you don't have the latest pattern you may return your used pattern for a new one at 1/2 price. If your pattern is unused there is no charge, except shipping cost.

My swag pattern has sizes 30" to 44" wide. I need a larger swag. What can I do?

The new revised pattern gives you more swag choices. A single swag can now be 22" or up to 54" wide. You need to get the revised copy.

How can I alter the swag width beyond the sizes given?

Pleat angles, size and shape of the pattern would have to change. We can't help you with that.

Can I alter the swag depth?

No. For the same reasons as above. All you can do is spread or bring the side pleats closer together. You can probably gain 2" more or less.

Can I use this pattern for one swag to wrap around the board at both ends, for a "Boxed" swag?

Yes, instructions are on page 10 of the instruction book.
