

Easy Pole Swag 9231

What is the difference in pattern 9230 and 9231?

Pattern 9230 has a swag depth of 15". Each pocket area takes up 8" of rod space. Pattern 9231 has a swag depth of 18". Each pocket area takes up 11" of rod space

Can I alter the swag?

No. The shape and angles of the pattern would have to change. We cannot help you with that.

Can I alter the jabot?

Yes. Alterations instructions are given.

Can I use this swag for an arched window?

No. The pattern is not shaped for arched windows.

Can I use these swags for a bay window?

Yes, except you cannot overlap them at the corners. Swags cannot turn a corner. They would need to butt. A tail or jabot is then used to fill the gap.
