

TIP OF THE MONTH MARCH 2011

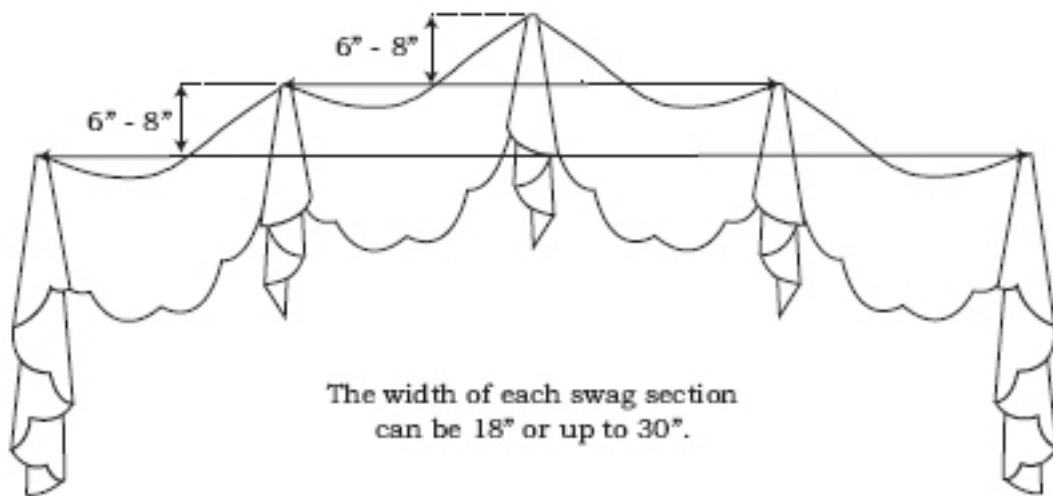

WINDOW 384

Window 384

Swags, Tails, Jabots - 9279 Parisian Raised Swag pattern is used.

This treatment may fit eyebrow windows. Use graph paper to see if your measurements will adapt. Center swags can be made to attach together as pattern instructions indicate. Side swags are repeated and attached to medallions separately. Repeat side swags as many times as needed.
